

Price list for services of the logicsale Europe Limited, date 01/12/2013

The following price list governs remuneration of the logicsale AG for the price optimization on the Amazon Marketplace. The prices do not include the value added tax (VAT).

1. Fees for price optimization

Contract duration	12 months	3 months
The first 500 articles	£ 0.20	£ 0.26
Articles 501-1000	£ 0.17	£ 0.22
Articles 1001-1500	£ 0.14	£ 0.18
Articles 1501 +	£ 0.04	£ 0.06

Remuneration example for a 3-month initial term:

For 150 items sold at AMAZON:

$$150 \times £ 0.26 = £ 39.00$$

Remuneration example for a 12-month initial term:

For 1700 items sold at AMAZON:

$$500 \times £ 0.20 + 500 \times £ 0.17 + 500 \times £ 0.14 + 200 \times £ 0.04 = £ 263.00$$

The monthly minimum payment by the customer is £ 47.50.

2. Handling fees

Debit return (6.3 of the Terms):	£ 8 per accounting transaction. Amount can be higher if transactions costs of bank are higher. Logicsale does not take any charges for administration. These costs are only bank charges.
On withdrawal account data incl. variance surcharge (Section 6.2.1 of the Terms)	£ 20.00 per month
manual payment allocation for false information (6.3 of the Terms):	£ 3.00 per month
